Dear sir/madam,

RE: Application for  
Internship

Please accept my CV/resume in support of  
my application.

Having studied the job description, my  
diverse skills, knowledge and experience are  
a strong match for the role.

I have a track record of achievement which i  
will replicate in the position. For example, in  
last project, i achieve a live weather  
information website.

Having researched your company, I am  
confident my work ethic and values align  
perfectly and can build a long-term career  
here.

Thank you for considering my application,  
and I look forward to hearing from you in  
due course.

Yours faithfully
